### Meditation Retreat Designer/Facilitator (Italy)

I hosted retreats with David Nowe (Swami Brahmananda) in Assisi, Italy at Simple Peace Retreats. I elevated existing meditation and living spaces of the property for the retreatants by infusing with uplifting, nurturing design elements. I supervised housekeeping and gardening staff to ensure the highest standards of cleanliness and atmospheric quality of private rooms, gathering spaces and gardens.

I acted in a hosting/hospitality position, greeting and guiding guests and ensuring all areas of the property were beautifully presented and as peaceful and nurturing as possible for each person's individual needs and the group as a whole. This included daily preparation of the meditation room, yoga room and massage treatment spaces as well as all the casual gathering spaces both indoors and out. All areas of the property were monitored and maintained by me for beauty, flow, and function.
